Re: Proposed Annexation No. 6,  
1958 to the City of Whittier

Dear Sir:

At the meeting held on May 14, 1958, the County Boundary Commission reviewed the boundary description and map submitted by Jack W. Sheets, Assistant City Engineer of the City of Whittier, with his letter of May 2, 1958, of the proposed annexation of territory to the City of Whittier.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

GORDON T. NESVIG, Secretary
